

Knollwood Park Trail Map

Difficulty: Intermediate

Description: The Knollwood Park Trail consists of a somewhat challenging 0.82 mile loop that features several short but steep climbs, multiple moderately technical sections, and a number of fast rolling segments that are sure to put a smile on the intermediate-advanced riders' face. During the loop, trail users will weave through a beautiful oak savanna, follow an old streambed, and ultimately drop into a wide open park that is great for a picnic.

Directions to Trailhead: Park at one of the businesses along the Rountree Branch such as Pizzeria Uno's, Fiesta Cancun or the Platteville Chamber. Follow the paved trail east until you come to and cross the wooden bridge. Follow the paved trail to the right (west) after crossing the bridge and you will go uphill on the paved trail. At the bottom of the hill on the left you will see the exit of the trail. Near the top of the hill you will see the trailhead to the left. The trail forms a continuous loop and drops you back on the paved trail at the bottom of the hill.

Parking: Users should park at one of the businesses on the Rountree Branch such as Pizzeria Uno's, Fiesta Cancun, or the Platteville Chamber. Please show your gratitude for the parking space by stopping in for a meal or beverage after you've completed your hike or ride.

Rules: Proper safety equipment is required and of utmost importance. Riders: Helmet, eyewear, and gloves are required. You should also make sure that you use a bicycle that is designed to handle exceptionally rough terrain. Hikers and Runners: Proper footwear is required. This course will challenge users of all fitness levels; plan accordingly. Do not use the trails when they are wet. If you are leaving anything more than a minor tread mark, please try another day. Everything that you bring in must be taken out when you leave. Garbage receptacles and latrines are not provided.
