

## Blockhouse Roll Racer Spotlight: Ryan Krayner

1. *What year did you race in the Blockhouse Roll?*

13, 11, 10, 09, 08, 07, 06, 05 or so. So many races, so little brain capacity.

2. *What was your favorite part about participating in Blockhouse Roll?*

The race course is amazing. It's like riding out West but a lot closer to home.

3. *What was your most memorable experience at a Blockhouse?*

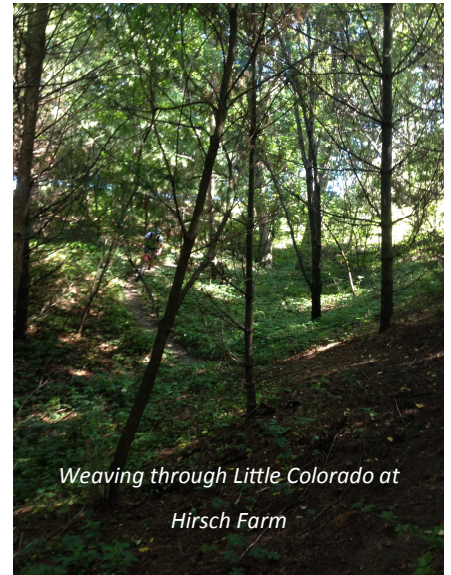

The time I got really lucky and beat Brian Eppen and won BHR the first time. I'm still super surprised that happened. He did have a bike issue but it was Brian flipping Eppen!

4. *What would you say to a first-time Blockhouse racer?*

Don't forget your climbing legs!

5. *Anything else you'd like to add?*

This is an amazing event. I have a hard time understanding why this race is relatively unknown. I've raced all over the country and this is a top 5 all time event for me. I don't even mind the run (Le Mans Start) and I HATE running.
